Dear Ms. Evans and Ms. Legge,

This is an interim reply to your 23 August 2018 Freedom of Information Act (FOIA) request you submitted requesting the following information:

- Multiple records concerning toxic waste sites at Fort Bliss and Goodfellow Air Force Bases, where the Trump Administration will soon be constructing tent shelters for the purpose of holding thousands of immigrant children and families.

We are continuing to process your request and anticipate that we are going to need more time to process your request. We anticipate we can respond to you within the next 5 days. However, this timeline is only an estimate. If we find we need additional time to complete FOIA processing, we will advise you. We assigned number 2018-03833-F to identify your request.

Should you need to contact us about your request, please write or call me at (325) 654-3642 or Goodfellow.FOIA@us.af.mil if you have any questions?

Sincerely
